Four Rivers Heritage Area Tenth Anniversary Quilt Project — *Deadline Extended to October 14!*

In preparation for Four Rivers' tenth anniversary celebration this year, I am following in the footsteps of one of my role models, the inspirational and talented Dr. Joan Gaither, by creating a quilt that celebrates our milestone, and to do this I need support from YOU, the community! The support I have in mind is colorful, cotton fabric squares, preferably salvaged from fabric that is meaningful to you, because my hope is that our entire heritage community will be an integral part of this quilt! *Embellishments optional!*

The optimal size is a 12x12" square. Please send no later than **Friday, October 14, 2011** to the address below. The quilt, though still in process, will be showcased at our tenth anniversary celebration on October 27, 2011. Questions? E-mail heritage_area@aacounty.org. Thanks!
